C E R T I F I C A T E

I DO CERTIFY that on January 29, 1974, in the Madison County Courtroom at Madison, Florida, in the presence of Clerk of Circuit Court, Dale M. Leslie and Sheriff Joe Peavy, I did place slips numbered 1 through 27 in ^{said} a receptacle and from/receptacle did draw successively slips numbered and assigned each county within the Third (3rd) Judicial Circuit of Florida in the order shown as follows:

Name of County	Pop. 1970 Census	No. Jurors Required	No. of Slips Drawn	No. Registered Voters	No. of Voter Subsequent to Slip No.
Columbia	25,250	27	7	12,753	472
Dixie	5,480	6	11	3,623	603
Hamilton	7,787	9	24	4,208	467
Lafayette	2,892	3	26	2,032	677
Madison	13,481	15	25	6,217	414
Suwannee	15,559	18	17	9,230	514
Taylor	13,641	15	19	7,622	508

I do further certify that I did cause to be determined by the Supervisor of Elections of each respective county the number of registered voters on the voter registration list as of January 28, 1974, and did direct said official to furnish to me a list of names from said registration list the first name of which list is the number of slip assigned said county and the subsequent names on said list being each successive numbered name as determined by dividing the number of persons on said voter registration list

by the number of prospective state wide Grand Jurors required from said county.

The attached sheets are the lists so furnished from Columbia, Dixie Hamilton, Lafayette, Madison, Suwannee and Taylor Counties which comprise the Third Judicial Circuit of Florida.
